PREFACE

The Publishers, in presenting their Eighth Edition of the City of Peterborough Directory, wish to thank their patrons for the liberal support they have received and trust it will meet with their approval, as every means has been taken to render it accurate and up-to-date in every detail.

The number of names in the Alphabetical Directory is 10,544, which, multiplied by 2¾, the figure used by all Directory Publishers, gives 28,996 as the population of Peterborough and suburban streets.

HARDWOOD FLOORS

are beautiful, economical, durable, healthful and labor saving. They are the common-sense answer to the floor question.

RATHBONE OAK
VENEER FLOORING

can be put down perfectly by any carpenter or by the man of the house if he is handy with tools. Being only three-eighth of an inch thick it is light and easy to handle, and even with strenuous wear it will last longer than the house itself.

WRITE FOR FOLDER

Write for free folder which gives full particulars. State size of your room and we will quote you cost of flooring in quarter-cut white oak, plain red oak or birch.
